### Pastor's Corner

- What is *agape* love?
- *Agape* is used to describe the love of and from God, whose very nature is love itself. God doesn't merely love; He is love. Everything God does flows from His love. God loves because that is His nature and the expression of His being. He loves the unlovable and the unlovely, not because we deserve it or have earned it in any way, but because it is His nature to love and He must be true to His nature. God's *agape* love is unmerited, gracious, and constantly seeking the benefit of the ones He loves.
- God's love is displayed most clearly at the cross. **(Romans 5:8).**
