Pastor's Corner

- **Ecclesiastes 5:18** - "It is appropriate for a person to eat, to drink and to find satisfaction in their toilsome labor under the sun during the few days of life God has given them—for this is their lot."
- Solomon warns us that wealth and achievements will never provide lasting satisfaction. Instead, the secret to a fulfilling life lies in gratitude for what God provides.
- Gratitude shifts our focus from what we don't have to what we do. It allows us to recognize that every good thing comes from God and that He blesses us with exactly what we need.
- Being grateful doesn't ignore life's struggles, but acknowledges them and yet still choosing to thank God for His provision through every season.
