

CONTINUING THE VISION

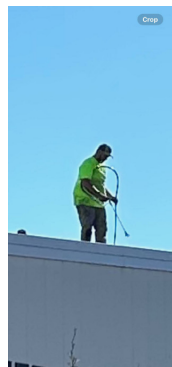

OCTOBER UPDATE

A funding campaign to preserve our heritage for future generations.

A cross-functional team, led by Pastor Tim Waugh, Kevin Rice and Robert Allen, has been put together to keep you informed of the fund-raising campaign.

The following are projects to be started over the next few month:

- #1. Coat and seal the roof of the Family Life Center. (The cost has generously been donated)

- #2. Remodeling of the Family Life Center restrooms.

Christmas “Basket & Wreaths” will be held on November 23rd. The Fellowship Team plans to donate the proceeds from this event to the “Continuing the Vision” Capital Campaign to help fund the remodeling of the Family Life Center restrooms. Please support this event.

- #3. Repair or replacement of the wood outside entrance doors on the Sanctuary and Education buildings.

- #4. Restoration of the Sanctuary Stained Glass Windows and Protection System. Work scheduled to begin in November or December 2024.
